

Work Ethic & Job Creation

Businesses need workers they can count on.

***Workers need transportation they can count on to and from training and jobs!** Public transit (fixed route and on-demand) builds worker mobility, helps expand the work force, and enlivens local economies.*

Sub.

SB11: Build the Future Act

- Adds **just \$5** to vehicle tag renewal statewide to help fund local public transit
- Generates \$25 million revenue, qualifying for **\$100 million in 4:1 federal match**—each year!
- Sets reporting requirements for county transit revenue
- Allows regional planning commissions help counties plan and develop local transit
- Allows opt-out by localities
